CDM Media Announces 2012 Technology Event Schedule

October 14, 2011 – The CDM Media team announced today the company’s 2012 technology and CIO event schedule.

CDM Media is a leading B2B technology marketing and media firm that specializes in reaching an elite audience of CIOs and IT executives through technology events and strategic online content. CDM Media’s CIO summits bring together technology executives, analysts and solution providers to network and attend interactive agenda sessions. The events are an opportunity to discuss IT topics, trends, pain points and best practices.
