

# Security Awareness Training and Simulated Phishing Platform

Helps you manage the ongoing problem of **social engineering**

## Your Complete Security Awareness Training Program

Old-school security awareness training doesn't hack it anymore. Today, your employees are frequently exposed to sophisticated phishing and ransomware attacks.

### Train Your Users

The world's largest library of security awareness training content. Automated training with scheduled reminders.

### Phish Your Users

Best-in-class, fully automated simulated phishing attacks, thousands of templates with unlimited usage.

### See the Results

Enterprise-strength reporting, for both training and phishing, ready for management. Show the great ROI!

# The KnowBe4 System Really Works

See how your organization's phish-prone percentage compares to your peers!

## Phish-prone Percentage By Industry

Financial

**26%**  
Failure Rate

Government
