## CTO Telecom Summit Announces Dates and VIP Delegates

---

**October 10, 2008** – Upon the completion of a highly successful CIO Finance Summit 2008, the SBS Division of CDM Media proudly announces their next business technology gathering, and this time for chief technology officers executives in telecommunications. CDM Media has confirmed the CTO Telecom Summit will launch May 31- June 2, 2009 at the Four Seasons Resort in Scottsdale, AZ.

The goal of the CTO Telecom Summit is to address the ever evolving role of the Chief Technology Officer and offer today's leading telecommunication professionals the unrivalled, uninterrupted opportunity to interact with peers in a conducive business environment. Glenn Willis, EVP, CTO Telecom Summit, distinguishes the uniqueness of CTO Telecom, stating "This is an ideal opportunity for executives to share ideas on their business and everyday challenges with their peers in a stress-free environment".

In order to ensure the success of the CTO Telecom Summit a strategic agenda has been developed in order to maximize the value of business meetings and discussions. Through one-on-one peer meetings, CTO think-tank sessions, Keynote Q&A sessions and a variety of networking opportunities, telecom professionals will be able to intimately address the most pertinent issues facing technology today. Topics to be included in the agenda include, Innovating BI, Enabling Core Process Management, Cloud Computing and more.
