CIO FINANCE SUMMIT ANNOUNCES NEW MEDIA PARTNERSHIP WITH BANKINFOSECURITY.COM

June 2, 2009 – The CIO Finance Summit is pleased to name BankInfoSecurity.com a premiere media partner for the 2009 IT event that will gather leaders in the financial services industry. The CIO Finance Summit will launch August 30th-September 2nd, 2009 at the Four Seasons Resort in Scottsdale, AZ. The roster of delegates, sponsors, analysts, and partners slated to attend the summit reflect the top organizations on the forefront of banking IT.

“The banking technology executives’ key to survival and thriving is forward movement and the CIO Finance Summit will provide a forum for CIOs and IT industry leaders to gather, debate and network on the most critical business technology issues that face them today. Being that BankInfoSecurity.com is a leading resource for members of the finance IT community, were glad to have them onboard as a premiere media partner,” said Mark Southam, VP, CIO Finance Summit.

BankInfoSecurity.com was created as a reference tool to be utilized by individuals in finance looking for solutions in security issues, maintenance of customer data confidentiality and improvement of the long term security posture of an organization. With an audience of senior management level bankers, IT professionals, and banking personnel, BankInfoSecurity.com is a dynamic portal dedicated to educating the banking information security community.

The CIO Finance Summit creates countless opportunities for gaining business value through the strategically designed agenda. Joining BankInfoSecurity.com as event media partners are A-Team Group, Market Data Insight, Electronic Trading, and Reference Data Review.
