FOR IMMEDIATE RELEASE

CTO Telecom Summit Announces Event Details & Content Committee, Including Members from Sprint Nextel, Rogers Communication and BT

April 27, 2010 – The CTO Telecom Summit team is pleased to announce that the 2010 event will be held on October 3-6 at the The Phoenician Resort in Scottsdale, AZ. The CTO Telecom Summit is an exclusive opportunity for CTOs and IT executives to attend educational sessions, network with industry peers and discover new technology solutions.

New to this year's event is the CTO Telecom Summit Content Committee, a group of innovative senior IT executives from leading telecom companies who will determine technology topics that will be discussed at the event, including keynotes, case studies, and CTO panel discussions. Participants in this year's Content Committee include:

- Bob Azzi, SVP, Network, Sprint Nextel
- Alan Strauss, VP & CTO, NII Holdings
- Dick LeFave, Independent Telecommunications/IT Professional, D&L Partners, LLC & Former CIO, Sprint Nextel
- Jerry Brace, SVP & CIO, Rogers Communications
- Paul Excell, Chief Customer Innovation Officer & COO, Innovation and Group Technology Officer, BT

The Content Committee is scheduled to participate in an initial conference call to discuss possible topics for the event.

If you are interested in participating the CTO Telecom Summit, contact Ross Abbott, Event Director, CTO Telecom Summit, at ross.abbott@cdmmedia.com or 808-694-3661. For more information about the event, go to www.ctotelecomsummit.com.
