## CIO Utilities Summit Welcomes Delegates From Bluebonnet Electric and Xcel Energy

---

**April 26, 2011** – The CIO Utilities Summit team announced today a few of the delegates who will attend the upcoming technology event, including representatives from Bluebonnet Electric, Xcel Energy, and SunEdison LLC.

The CIO Utilities Summit, June 12-14, 2011, will bring together CIOs, technology executives, analysts and solution providers to network, attend educational sessions and have in-depth conversations on the latest utilities IT topics and trends. Held at the InterContinental Montelucia Resort, the CIO Utilities Summit creates a relaxed, yet focused atmosphere that allows attendees to share best practices, new ideas and create valuable business contacts.

Featured CIO Utilities Summit attendees:

- Leslie Barrios, CIO & Executive Manager, IT, Bluebonnet Electric
- Randy Huston, Director, IT Infrastructure & Smart Grid, Xcel Energy Services Inc.
- Mark Culpepper, CTO & GM of Global Services, SunEdison LLC
- Michael Pesin, Chief Tech-Advisor, Smart Grid, Seattle City Light
- David Johnson, CIO, Chattanooga Electric Power Board

Topics covered on this year's agenda include smart grid implementation, security, and innovation; productive and efficient field service mobility; effective customer communication strategies; and public and private cloud computing. The agenda includes roundtables, panel discussions, and think tanks as well as networking opportunities.
