CIO Insurance Summit Welcomes Delegates from Wilton Re and DTRIC

June 21, 2011 – The CIO Insurance Summit team announced today a few of the delegates who will be attending the upcoming technology event, including representatives from Wilton Re, DTRIC Insurance, MassMutual Financial Group and more.

The CIO Insurance Summit, October 16-19, 2011, brings together C-level IT executives, leading analysts, and solution providers to discuss the latest technology topics and trends, including customer relationship management best practices, mobile applications for insurance companies and customers, and improving claims productivity and compliance.

Featured CIO Insurance Summit attendees:

- Andy Wood, CIO, Wilton Re
- Garret Yoshimi, VP & CIO, DTRIC Insurance
- Bob Casale, EVP & CIO, MassMutual Financial Group
- Mary Boyd, CAO, ACE Private Risk Services
- Tim Billow, SVP & Head of Legacy Annuities IT, ING Americas

“This year’s CIO Insurance Summit will be a great opportunity for attending executives to share best practices and lessons learned. The agenda has been updated to incorporate more interactive sessions, including think tanks, roundtables and analyst Q&As. Attendees are sure to return to their organizations with new ideas and strategies,” said Mark Southam, Event Director, CIO Insurance Summit.

For more information about the CIO Insurance Summit, visit www.cioinsurancesummit.com. If you are interested in attending, fill out the delegate registration form online or contact Mark Southam, Event Director, COX15949EACIO Insurance Summit at mark.southam@cdmmedia.com or 312-374-0842.

Qualified executives may receive a VIP pass that includes travel, accommodations, food and drink for the duration of the event.

About the CIO Insurance Summit

CDM Media brings together CIOs and technology executives from North America's Fortune 1000 organizations to develop business ideas and build lasting relationships with peers and colleagues. The CIO Insurance Summit, to be held October 16-19, 2010 in Scottsdale, Arizona, allows IT executives to discuss the latest business technology issues and learn about current technology solutions.
