CIO Midmarket Summit Welcomes IT Executive Attendees

September 6, 2011 – The CIO Midmarket Summit team announced today a few of the CIOs and IT executives who will attend the upcoming event, December 4-6, 2011 in Scottsdale, Arizona.

The CIO Midmarket Summit brings together leading IT executives to network and attend in-depth agenda sessions. The event is an opportunity to learn about the latest IT topics and trends, as well as new technologies. Topics to be discussed include creating strategic value through IT, social networking trends, transformational leadership, and more.

The event will include representatives from, but is not limited to, the following industries: finance, telecom, insurance, retail, utilities, and telecom. A few of the attendees include:

- Andre Gold, Head, Technology Operations and Security, AutoTrader.com
- Brian Duffy, CIO, McLean-Fogg
- Eric Rosenzweig, CIO, Garden Fresh Restaurant Corporation
- Geoffrey Stevens, CIO, Otay Water District
- Ray Rivera, CIO, TASER International
- Tato Munoz, Director, IT, DL Evans Bank

For more information about the CIO Midmarket Summit, visit the website at www.ciomidmarketsummit.com. If you would like to speak to someone directly about the event, contact Christian Morato, Executive Director, CIO Midmarket Summit, at christian.morato@cdmmedia.com or 312-374-0845.

About the CIO Midmarket Summit

CDM Media brings together CIOs and technology executives from North America to develop business ideas and build lasting relationships with peers and colleagues. The CIO Midmarket Summit, to be held December 4-6, 2011, allows IT executives to discuss the latest business technology issues and learn about current technology solutions.
