CIO Cloud Summit Announces Attendees from Cloud Security Alliance and Wells Fargo

November 21, 2011 – The CIO Cloud Summit team announced today a few of the latest CIOs and IT executives who will attend the upcoming technology event, December 8-9, 2011 at the Montelucia Resort in Scottsdale, Arizona.

The CIO Cloud Summit brings together CIOs and top IT executives across several industry verticals to make new business contacts, and discuss new strategies for IT problems and solutions. The CIO Cloud Summit is a chance to meet face to face with potential technology solution providers. The event's agenda includes formal and informal networking opportunities as well as interactive agenda sessions, including keynotes, roundtables, think tanks, panel discussions, and more.

A few of the CIO Cloud Summit attendees:

- Bill McNee, CEO, Saugatuck Technology
- Jim Reavis, Co-Founder & Executive Director, Cloud Security Alliance (CSA)
- David Bernstein, Chairman, IEEE Cloud Computing Standards Committee
- Mojtaba Akbari, Head of IT, The Kildare Hotel, Spa and Country Club
- Joe Fuller, VP & CIO, Dominion Enterprises
- Basil Fedynyshyn, Head, Platform Strategy and Management, Wells Fargo
- Steven Porter, CIO, Touchstone Behavioral Health

“The delegates who are planning to attend the CIO Cloud Summit are looking for the latest on cloud computing as a technology solution. By bringing together a group of experience cloud professionals, we are able to expand their collective knowledge and help move their projects forward,” said Mark Southam, Event Director, CIO Cloud Summit.

For more information about the technology event, visit <http://www.ciocloudsummit.com/>.

If you are interested in participating in the event as a delegate or sponsor, contact Mark Southam, Event Director, CIO Cloud Summit, at mark.southam@cdmmedia.com or 312-374-0842.

About CIO Cloud Summit

CDM Media brings together CIOs and technology executives from North America's Fortune 1000 organizations to develop business ideas and build lasting relationships with peers and colleagues. The CIO Cloud Summit, to be held December 6-7, 2011 in Scottsdale, Arizona, allows IT executives to discuss the latest cloud computing topics and trends, and learn about current technology solutions. For more information, please visit <http://www.ciocloudsummit.com/>.
