CDM Media Renews Partnership with Information Security Media Group

CHICAGO, May 10, 2012 – The CDM Media team announced today that it has renewed their strategic partnership with Information Security Media Group, a media company focusing on information technology, risk management, fraud, and compliance for vertical industries. ISMG’s BankInfoSecurity.com, GovInfoSecurity.com and HealthcareInfoSecurity.com will feature information and updates on the summits.

Information Security Media Group will be partnering with CDM Media for the following CIO Summits:

- CISO Summit (June 7-8, 2012)
- CIO Government Summit (June 10-12, 2012)
- CIO Finance Summit (August 19-22, 2012)
- CIO Healthcare Summit (October 14-18, 2012)

Information Security Media Group, through its online media sites, provides news, training, education and other related content for decision-makers in the banking, government and healthcare verticals. Each site includes high-quality and in-depth content on the latest technology topics and trends from senior IT management and executives.

CDM Media’s CIO Summits bring together CIOs, analysts, and solution providers to make new business contacts and discuss current IT topics and trends. Held in an intimate and focused business setting, the CIO Summits are an opportunity for executives to network with a group of peers with similar focuses, share ideas and discuss current technology projects.
