CISO ENERGY SUMMIT: CALL FOR SPEAKERS

Industry-Leading CISO Summit Seeks Thought Leaders for Panel and Think Tank Discussions

Chicago- July 21, 2016: CDM Media, a leading B2B marketing and media firm, is seeking seasoned C-level IT security executives to share expertise with like-minded peers and thought leaders to speak at the CISO Energy Summit on September 26, 2016 in Houston, Texas. The event will run alongside the CIO Energy Summit.

These intimate invitation-only event for C-suite executives and industry leaders in Houston is a unique opportunity for the industry's most influential IT security thinkers to collaborate on current industry challenges and trends. Attending CISOs will engage in peer-on-peer networking, while discussing the issues currently affecting C-level executives from a variety of industries.

Topics of discussion will include:

CISO Energy:

- Building the Utility of the Future
- The Awakening of Cyber Analysis
- Maintenance & Operations Cost Containment
- The Mobility Revolution in the Energy Industry
- The Energy Industry and its Looming Skills Gap
- Balancing Reactivity and Proactivity in Enterprise Security
- IoT for Energy Management
- Oilfield Digitization
- The Cloudy Future of the Energy Industry

Unlike typical tradeshows designed to attract hundreds of individuals of all different levels of seniority, from various industries, CDM Media's events host a more exclusive event limited to 40-50 leading senior executives. This targeted and intimate event design yields strong collaboration, innovation and discussions key to individual success.
