## CDM MEDIA ANNOUNCES PARTNERSHIP WITH FEDERAL TIMES FOR UPCOMING CIO GOVERNMENT SUMMIT

---

**CHICAGO, April 10, 2013**—CDM Media announced today that it will partner with Federal Times, the one-stop news and information service for federal managers, for the upcoming CIO Government Summit, May 5-7, 2013, in Dallas, Texas.

The CIO Government Summit will bring together leading CIOs and government IT executives from across the U.S. to confront and overcome current industry issues. This premier event will explore critical topics and trends currently impacting agencies in the industry.

“We’re thrilled to be partnering with Federal Times for this event,” said Ross Abbott, VP Sales, North America for CDM Media. “They’re an outstanding and unique news and information resource for government executives, and we look forward to the exposure their participation will bring, both for them and for our exclusive event.”

CDM Media partners with analyst organizations, associations and media companies (in print and online) to build mutually beneficial relationships. As a partner for the CIO Government Summit, Federal Times will reach new audiences, share valuable resources and build awareness for the event.

### **About the CIO Government Summit**

The CIO Government Summit will bring together leaders representing state and local government departments throughout the U.S. to discuss the key IT issues facing these administrations. As security becomes an increasing concern with many government agencies, advancements in data security and integrity are required in order to prevent information leakage. CIOs and key IT decision-makers will attend this technology conference in order to participate in educational sessions, network with their peers and discover new IT solutions.
