## CDM Media Reveals Details of Upcoming Mining Summit in Africa

---

**CHICAGO, October 15th, 2013**—CDM Media is pleased to reveal the details of its second mining event in Africa—January 30-31, 2014 in Cape Town, South Africa. The top mining executives from across Africa will gather to network, exchange insight and collaborate on the most current issues and trends facing the industry.

The Mining Summit Africa will act as the center stage for elite mining industry executives to discuss the latest business issues, best practices and strategies for increasing growth opportunities within their respective organizations. The strategic agenda is comprised of think tanks, keynotes, roundtables and thought leadership sessions, which will enable attendees to have in-depth conversations, face-to-face meetings, network and work together inside of a professional and exclusive environment. Such agenda sessions will touch on topical issues including:

- The Political Cycle vs. The Mining Cycle
- Improving ASM
- Innovative Technology for Increased Mine Performance
- Reducing Project Risk and Increasing Mine Economics
- The Increased Importance of Mechanization
- Strategic Exploration

The summit will be sponsored by some of the well-known organizations within the mining industry, such as Aegis Instruments (Pty) Limited, First Fire Security, Inc., PPE Technologies, URS Scott Wilson Ltd. and SLR Consultancy (Africa) (Pty) Ltd. Attendees will comprise of C-level executives from the mining industry, including:

- Dalu Ncube, MD: Village Main Reef (Antimony Division)—Village Main Reef
- Danny Callow, CEO—Mopani Copper Mine, Glencore Zambia
- Niel Pretorious, CEO—DRD Gold
- Rowan Karstel, CEO—Beacon Hill Resources
- Shaun Craig Newberry, SVP Technology & Projects—AngloGold Ashanti

- Siphon Nkosi, President & CEO—Exxaro Resources

“Seeing that Africa is home to one of the most vivacious and significant mining industries in the world, we’re thrilled to be hosting our second summit here in Cape Town,” said Darren Roach, VP Sales EMEA for CDM Media. “This event has significantly grown from last year and we’re very excited about this year’s attendees. We have the top mining executives and organizations participating, and we expect this year’s summit to increase collaboration and development within the mining industry.”

Last year, CDM Media expanded into Africa’s mining industry, which became one of the company’s several new regions, as well as industry, thanks to its exceptional company growth. The company continues to explore new industries and territories as it expects to build upon its success moving forward. ### **About the Mining Summit Africa**

The Mining Summit Africa will bring together leading mining industry executives to confront and overcome current industry issues, exploring best practices and generating strategies to create and maximize growth opportunities within their organizations. Through agenda sessions that enable in-depth conversations, attendees will share ideas and learn from each other’s experiences, as well as discuss current industry topics and trends in an exclusive, peer-to-peer business setting. The event is a unique opportunity to collaborate with peers on real solutions to mining industry concerns.

### **About CDM Media**

CDM Media is a leading B2B technology marketing and media firm, producing C-level executive events all over the world. CDM Media specializes in technology summits and custom events for C-level executives from Fortune 1000 companies, and major technology solution providers.
