## **Tim Callahan to Keynote CIO/CISO Atlanta Summit**

*Global CISO of Aflac to Lead as Keynote Presenter on “The Future of the CIO in the Coming Digital Economy”*

Chicago-October 12th, 2016: CDM Media, a leading B2B marketing and media firm, has announced Tim Callahan as a keynote speaker for the CIO/CISO Atlanta Summit on October 27<sup>th</sup>, 2016. The event will take place at the Omni Atlanta Hotel at CNN Center in Atlanta, GA.

Tim Callahan joined Aflac as the Chief Information Security Officer in April 2014. In this role, he is responsible for the Aflac Information Security Program, which includes Threat and Vulnerability Management, Security Operations and Incident Response, Information Technology Compliance and Risk Management, Security Engineering, and Disaster Recovery. Prior to Aflac, Callahan was Senior Vice President, Business Continuity and Information Assurance at SunTrust Bank.

A sought after and frequent speaker, he is a recognized thought leader on leadership, technology, information security, information governance, governance risk and compliance, and cyber security. He has chaired the annual IT Governance Risk and Compliance Summit for six years and has won numerous awards, including Information Security Executive of the Year-Northeast People’s Choice Award, 2007 Digital ID World Industry Award, 2006 Information Security Executive of the Year- Southeast People’s Choice Award and the 2006 Digital ID World Industry Award.

At the CIO/CISO Atlanta Summit, Callahan will lead a keynote presentation on “*The Future of the CIO in the Coming Digital Economy*”.

Takeaways will include:

- Change is, if not already here, certainly coming and CIOs that don’t prepare for the change may not like the results when it arrives
- Digital transformation is all about connecting enterprise system to information technology to drive productivity and performance improvements
- Be prepared to tackle the tasks that no-one wants to do, but everyone needs done; establish relevance to cultivate importance
